QUARTER 2 - 2024 NEWSLETTER

Happy Spring Members!

- Congratulations to Wendy as she will be retiring July 31, 2024! We welcomed a new employee in February Tracy! Please stop in or call to say hi or best wishes! We will have a celebration at the end of July to Celebrate Wendy!
- **Teamsters helping Teamsters:** when you deposit into your credit union you are providing a source of funds for loans to your fellow teamsters and their family members. When you are saving for holidays, vacation, tax time etc. you are also helping other people to buy cars, pay bills and improve their lives. Thank you!
- Who owns your credit union? You do! Member depositors are the only owners of the credit union. Your volunteer board of directors that represent your best interests are also members.
