Dear Members,

The Ohio Teamsters Credit Union has some exciting news to announce. We have partnered with NXG Strategies and are pleased to announce an important change for our members who utilize our Identity Theft Protection Program, resulting in a significant increase in benefits to our members. Below is a listing of the increased benefits:

Services for the Covered Group	Current Program	Updated Program
Fully Managed Identity Theft Recovery	✓ (All)	✓ (All)
Lost Document Replacement		✓
Identity Theft Expense Reimbursement Insurance		\$25K
1 Bureau Credit Monitoring	✓ (Checking)	✓

This service not only covers your credit union account(s), it also covers anyone in your households and their account(s). This service also covers any account(s) you or someone in your household may have at another Financial Institution. Most Financial Institutions charge roughly \$7-\$10/Month to have this service, and Ohio Teamsters Credit Union is offering the same service at only \$2.95/Month.

What to Expect?

- If you already have this service, your monthly debit for this service will automatically increase on June 1, 2017 to \$2.95/Month, you are currently paying \$1.95/Month.
- If you currently do not participate in our Identity Theft Program and wish to enroll for this coverage, you can contact any staff member at the branch to update your account and sign up with a new "Opt-In" form.
- If you currently have this coverage and wish to cancel, you will need to contact the Credit Union offices and sign an "Opt-Out" form to update your account.

Should you have any questions in regards to the service prior to the June 1, 2017 deadline, please do not hesitate to contact Ohio Teamsters Credit Union. We appreciate your continued business and we're happy that we can continue provide these extra services to our members at much lower costs than that of larger Financial Institutions.
